Nurturing India's

Tomorrow

The Birla Open Minds International School is an initiative of the Yash Birla Group. The Birla family has a legacy of nation building and understands the importance of quality education. Today there are 130+ Institutions across 70 cities.

Our Vision

Our vision at BOMIS Indore is to address the needs of 21st Century by preparing individuals who are highly skilled, career oriented, economically independent, innovative and sensitive to the economy, society and environment.

Our Mission

→ To work in collaboration with students and parents to provide quality education in a positive and supportive environment.

→ To promote safe, healthy and happy environment to ensure growth.

→ To support, challenge and engage, thereby nurture the students for tomorrow.

The school focuses on 4C's Care, Cooperation, Collaboration and Courtesy.

Mr Yash Birla
Chairman

Mr Nirvaan Birla
Managing Director

My ancestors always contributed to the nation by building industries and also took part in the freedom movement. As the Birla family legacy, I always feel we have a certain duty towards the society. To create leaders of tomorrow is one of the greatest contributions we can have towards the society today.

Education provides a platform to create future leaders who in turn shape our community, society and our nation. Through education I feel one can impart value system in our students as values, morals and ethics are very much on the decline today. At Birla Edutech I want everybody to believe we are a community whether it is our schools or our schools with partners. It is like a whole big community working towards a common goal.

directors' standpoint

The Birla Open Minds International School, Indore is a humbling and supportive educational family. We ensure that our students benefit from the latest knowledge and learning tools during their schooling years with us. We help students achieve a strong foundation for the rest of their lives. We are a CBSE affiliated school and cater for the educational needs of the young learners from Nursery onwards. The school has a sprawling campus with latest amenities and facilities.

Birla Open Minds International School, Indore prides in its association with The Birla Edutech Limited- Our Curriculum partners. Together we provide a well researched, diverse and rigorous curriculum which enables students to explore new horizons, new dimensions and passions. The school motto is to provide contemporary and world-class education for **NUTURING INDIA'S TOMORROW.**

principal's message

At Birla Open Minds International School Indore we provide a strong foundation with the freedom to explore, experience and experiment. We aim to enable our students to grow to their highest potential. Our curriculum is holistic and includes inquiry based learning, flexible and collaborative group work, educational trips, and ongoing assessments along with theme based experiential learning. This enables our students to embark on the journey of lifelong learning.

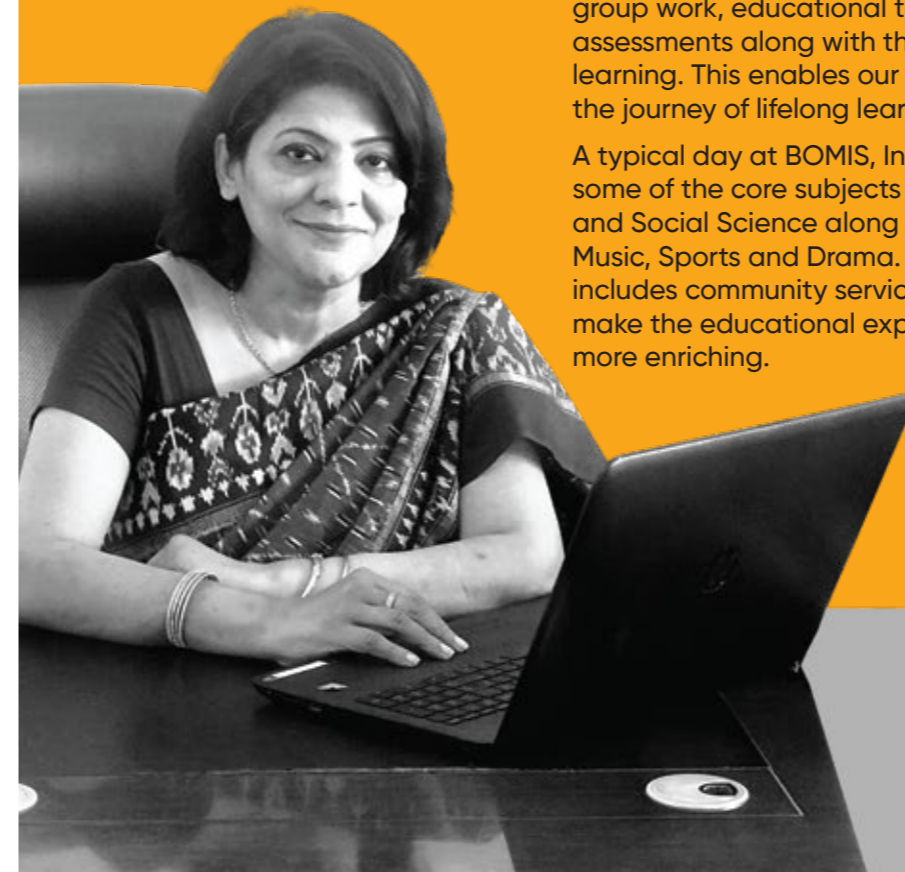

A typical day at BOMIS, Indore includes studying some of the core subjects Math, English, Science, and Social Science along with special classes in Art, Music, Sports and Drama. Life outside school includes community service and field trips that make the educational experience at BOMIS, Indore more enriching.

Our teachers regularly engage with students in order to enhance their emotional intelligence. Discussions around, how to be a global citizen or how to ensure the well being of the society, is what helps our students become better at stating their emotional needs and understanding the needs of those around. Exposure to real-world experiences ensure critical thinking skills amongst our students and gain new learning in the process. Additional courses such as ICT, Drama, Music and Art are a way of allowing our students to develop other interests and hobbies. We also provide the students with an enriching global exposure by participating in various cross- culture programmes. Exposure to different cultures and an array of activities help our students to develop qualities of leadership, citizenship, tolerance and compassion.

I extend a very warm welcome to all those desirous to be a part of an innovating and engaging learning environment that shall inspire, support, develop confidence and independent thinking.

Meenakshi Chatterjee

Principal

The school provides ample opportunities to its learners to excel in diverse fields. Activities are conducted to enable all learners to develop a well rounded personality. They also foster creativity, confidence and help discover the innate qualities of each learner.

Aim for success and not perfection. Never give up your right to be wrong, because then you will lose the ability to learn new things....

Children Are Like Kites

You spend years trying to get them off the ground. You run with them until you are both breathless. They crash ... they hit the roof ... you patch, comfort and assure them that someday they will fly.

Finally, they are airborne.

They need more string, and you keep letting it out.

They tug, and with each twist of the twine, there is sadness that goes with joy.

The kite becomes more distant, and you know it won't be long before that beautiful creature will snap the lifeline that binds you together and will soar as meant to soar ... free and alone.

Only then do you know that you have done your job.

-Erma Bombeck

innovative learning

that opens minds

BOMIS TEACHER RESOURCES

To supplement students' learning we have specially customized Course books, fun sheets, activity based culminating worksheets, educational resources in the form of audio visuals exclusively designed, developed and made available for our BOMISites.

These learning materials are carefully implemented by our capable teachers using our detailed, comprehensive and child-centered lesson plans compiled together as Teachers Curriculum Guide which are researched, designed and developed centrally at the BEL Head office.

BOMIS TEACHERS TRAINING AND SUPPORT

Teacher training workshops are conducted by the Research and Development team of the Birla Edutech Ltd for BOMIS teachers at regular intervals. The workshop module focuses on cutting edge learning approaches in every subject; induction and enrichment training, learner centered activities, interactive lessons and blended solutions. The BOMIS teachers are also observed on a regular basis through Teacher Support Rounds to maintain the quality of teaching and giving feedback for further improvisation.

With robust curriculum, comfortable learning environment, excellent infrastructure and strong support BOMIS offers the best to its students. It is not just a school, it is a way of life.

Curriculum Development and Teacher Training by Birla Group

Thematic Curriculum with learning centres creating joy for learning

Innovative, Investigative, Experiential and Engaging learning environment

Integrated Teaching approach of IB, ICSE, IGCSE and CBSE curriculum

Distinctive Services through Learning Management System

Life Skills development along with developing care for self, others & the environment

BOMIS INFRASTRUCTURE

Our school is designed to ensure an engaging, appealing and child friendly setting for our BOMISites. Our infrastructure is in sync with the different learning modalities and school curriculum. The state-of-art classrooms, modern science and IT labs, library, lush outdoors, range of sports and creative art facilities reflect the ethos of the school.

For education at school to be effective, the environment needs to be conducive to learning, allowing the child the required space and time to interact within the learning and teaching process. Our schools are thus specially designed to create and maintain a stimulating learning environment where BOMISites can actively participate, grow and learn in a natural way.

learning environment

The aesthetical design, planning and facilities are provided to ensure educational efficacy and enable students to exploit modern technology.

THE INFRASTRUCTURE REFLECTS THE ETHOS OF THE SCHOOL VIA:

- Eco friendly school design
- Modern well equipped labs
- High spaces per child ratio
- Well stocked library
- Lush outdoors
- Range of sports facilities
- VA and PA facilities
- Innovative centers / Activity Zones
- Multi cuisine cafeteria
- CCTV monitored campus
- Network of GPS and CCTV enabled transport
- Extensive technology and online support

PRESCHOOL (Nursery - K2)

Our preschool curriculum celebrates the importance of the formative years by providing a strong and sure start. Our approach honours the development of the child as a whole, intellectually, physically, emotionally, and socially across ages. Children are exposed to dynamic learning environment, challenges and choices in activities, open ended questions, and interactions with peers and teachers. Working with colours and textures, engaging with music and movement and a plethora of other mediums with ample freedom to ensure creativity in each child.

WE PROVIDE ENGAGING AND STIMULATING ENVIRONMENT TO THE YOUNG LEARNERS.

Our learning environment is cheerful & engaging. Furniture is ergonomic and safe. Classroom places are uncluttered.

Our teachers act as knowledge navigators, facilitators and mentors rather than knowledge providers.

academics

PRIMARY YEARS (Grade 1-4)

The Primary Years curriculum is carefully designed to nurture the child in all dimensions of life to bring out the essence of a holistic being. It emphasises on reaching out to individual student and taking into account their uniqueness in terms of personality types, varied learning styles and intelligences to help become lifelong learners.

The well planned Primary Years curriculum ensures that each child at school enjoys these years in learning, discovery & creative engagements.

HIGHLIGHTS OF CURRICULUM

MIDDLE SCHOOL (Grade 5-8)

In the Middle school our curriculum offers a variety of routes for learners with a wide range of abilities. BOMIS offers a flexible and stimulating curriculum, supported with excellent resources and training. Interdisciplinary approach continues to take place wherever applicable. The approach continues to be student-centric where the onus of learning shifts from the teacher to the student. The methodology is constructive and provides wide range of innovative methods.

HALLMARKS OF MIDDLE SCHOOL CURRICULUM

- Go beyond the textbooks
- Connect knowledge to the life outside the school
- Shift way from rote learning
- Stimulating school environment
- Promote goal setting and lifelong learning
- Nurture sensitivity towards environment, economy and society
- Interdisciplinary approach
- Life skill development
- Developing spirit for healthy competition
- Development of hobbies
- Acquire the ability to utilize technology and information for betterment of humankind

HIGH SCHOOL (Grade 9 onwards)

The school offers curriculum prescribed by the Central Board of Secondary Education. It is the sum total of a planned set of educational experiences provided by the school to its learners

BOMIS DEVELOPS LEARNER KNOWLEDGE, UNDERSTANDING AND SKILLS:

- Values and life skills are integrated by curricular and co-curricular activities
- The curriculum promotes goal setting & lifelong learning
- Fosters cultural learning and international mindedness
- Attain mastery over laid down competencies
- Applying knowledge, understanding and the ability to deal with new as well as unfamiliar situations
- Intellectual enquiry
- Flexibility and responsiveness to change
- Influencing outcomes
- Cultural awareness

CAREER DEVELOPMENT PROGRAMME

BOMIS offers the Career Development Programme which plays a vital role as it guides the students and parents to choose the best career path for their future.

Chartered Accountants, Manoramaganj

I am happy to take the one time fee payment option given by Birla School. It is a safe and tension free investment with no worries of fee hike for my son's future schooling. It saved me lakhs of money. A big thanks to Birla School, Indore.

Richa Nandecha, International Certified Yoga Teacher and Trainer

We are very happy to have chosen Birla School, Indore for the education of our daughter. Birla the name itself speaks of confidence and faith. We hope the school keeps its values same always. Great School, Good Staff. Thanks and best wishes.

Sarveshwar Dayal Nema
Dy. Manager-Business Development in ERDA

We are really pleased for our kid to be a student of Birla School, Indore. We as parents highly appreciate the way educational classes and extra activities are going forward. The teachers put full efforts with dedication. We are very happy and grateful to see the growth in our child after joining the school.

OUR ASSOCIATIONS

INDORE SAHODAYA SCHOOLS COMPLEX

We are happy to be a part of Birla School, Indore. Teachers here put in extra efforts to know each child individually. Academics are good. Totally satisfied. Our thanks to the entire school team.

Abhishek Molasaria
Business: Kids' Garments

Prachi Pandey
Dietician

Our experience with the Birla School, Indore is superb. The teachers explain in a practical way with the help of real life experiences. Projects and other activities are conducted regularly to enhance student understanding and personality. We as parents are very happy and pleased.

I opted lump sum fee option for future security for my daughter. In this option I have a shield against yearly fees rise. Overall, I made a wise investment. Thanks Birla School, Indore for giving us this one time payment option.
